

Attend InteriorTech's CES courses this summer for a chance to win exciting prizes each month!

FROM MAY THROUGH SEPTEMBER YOU WILL HAVE MULTIPLE OPPORTUNITIES TO WIN NEW PRIZES EVERY MONTH

In 2020, we presented to over 2000 designers in the Pacific Northwest including British Columbia. WOW!! This year we thought we'd get off to an early start and let you get some of your classes out of the way early.....as well as make it easy for you. No need to wait until later in the year – **not to mention get eligible for some cool incentives!**

We hope you will take advantage of this!

Individuals

ARE ELIGIBLE TO RECEIVE ONE DRAWING TICKET FOR EACH COURSE THEY ATTEND

At the end of each month we will have a drawing from all the courses we offered **DURING THAT MONTH**. If you attend three courses in three different months, you will have one ticket in each month's drawing.

WINNING PRIZE FOR INDIVIDUALS ALTERNATE EVERY MONTH:

- Cordova Cooler (made in Idaho) filled with beer and wine
- Picnic setup with tabletop Traeger grill and soft cooler
